The path to the future just may be a step back in time...come experience the magic that is the Secret Valley.

The Colebrookdale Railroad Preservation Trust seeks your support in pursuing our goal to establish a dedicated tourist railroad between Boyertown and Pottstown. Among our goals:

- ◇ Acquisition & restoration of historic passenger equipment
- ◇ Construction of passenger facilities
- ◇ Integration of passenger service with events and attractions
- ◇ Dining, lounge, and open cars
- ◇ Operation of a steam locomotive

*Completed by soldiers home from the Civil War just four months after the famed Transcontinental Railroad united the nation, the Colebrookdale is a record of epic engineering and heroic drama.*

*Eight-point-six miles long and a century-and-a-half back in time, the Secret Valley Line beckons you to experience for yourself the unexpected treasures of Southeastern Pennsylvania.*

Once the province of pioneers and patriots, the Colebrookdale is your ticket to a verdant land lost in time.

The Colebrookdale Railroad is an untapped treasure right in our own backyard. We need your help to make this unique tourist attraction a reality.

Join us today, give generously, and help us build a railroad that will delight our children, grow our economy, create jobs, and link our ironclad past to a brighter future.

The Trust is a 501(c)3 charitable organization and donations to it are welcome, necessary to its success, and tax-deductible.

Partners in Secret Valley Tours: *The Railroad will introduce passengers to concepts that can be explored in more detail at other local attractions as part of a day or weekend package, including Hopewell Furnace NHS, Boyertown Museum of Historic Vehicles, Carousel at Pottstown, Pottsgrove Manor.*
